

FREE-CHOICE COURSES OFFERED IN ENGLISH FOR THE ACADEMIC YEAR 2016 - 2017							
KAJAANI UNIVERSITY OF APPLIED SCIENCES				February 2016			
						 <b>KAJAANIN AMMATTIKORKEAKOULU</b> UNIVERSITY OF APPLIED SCIENCES	
REGISTRATION PERIOD 29.2- 6.3.2016 FOR FREE-CHOICE COURSES FOR THE ACADEMIC YEAR 2016 - 2017							
Enrolling for free-choice courses is only done in ASIO > Enroll for common optional courses							
You can choose 3-5 courses for one academic year.							
The enrolments are binding. It is only possible to change or cancel your enrolment during the enrolment period.							
PLEASE NOTE							
1)	Descriptions for courses can be found in the Study Guide online: <a href="http://opinto-opas.kamk.fi/index.php/fi/tarjontakorit/fi">http://opinto-opas.kamk.fi/index.php/fi/tarjontakorit/fi</a>						
	Further details can also be obtained from the teachers.						
2)	It has not yet been decided in which period some of the courses will be delivered. The study period will be announced later,						
	at the latest in the autumn when studies recommence.						
3)	Please note that the courses are in a random order in ASIO! Find the right list according to the letter <b>d) or f)</b>						
	In Asio you will see a division according to semester: autumn 2016 (6S) and spring 2017 (7K). Summer studies 2016 are under letter <b>g)</b>						
4)	In some courses the amount of participants is restricted. Some courses are specifically meant for certain year groups. Check the "NB" column!						
	If participation is restricted and the course is already full when you enrol, your name will automatically go on the reserve list.						
	If many students enrol for the same course several groups will be arranged. If not enough students enrol, the course will not begin at all.						
5)	All enrolments are binding! Therefore, please think carefully about the courses for which you would like to enrol!						
	<b>Please do not enrol if you know that you will not be present at the time the course is arranged.</b>						
6)	You can complete courses during the summer (summer studies) that can be accomplished independently (e.g. essays, book exams, online courses).						
	Always discuss with the teacher in concern in advance.						
7)	In addition to these, there are also field-specific courses offered in Finnish. Please look for your own study field in ASIO to enroll for these courses.						
	<b>For further questions, please contact the Study Office / Kirsi Sievers</b>
