Student organisation's website	www.opiskelijakuntakamo.fi
Why should students choose KAMK?	Kajaani is a small town with a population of 38,000. Student life in Kajaani is easy: distances are short and services are of a high standard. The town has all the necessary services, yet is small enough to feel safe. Also the study groups are small, the atmosphere is relaxed and the relationship between students and teachers is good.
