## Game of My Life

[www.elamanipeli.com](http://www.elamanipeli.com)

*A game for supporting the life management skills of 16–19 year old people.*

*Constructed in the visual novel style:*

You can choose from multiple characters and several storylines. The player has to make decisions to solve problems and face the consequences.

*Theoretical background:* Role map for growing up into an independent young person. 5 motivation roles, subcategories for goal-oriented roles and action roles (Ylitalo, P. 2011) and supporting knowledge related to the themes in the story.
