

KAMK user ID and password

You will need own computer, a personal user ID and password to study at KAMK and log in to the programs and systems offered by KAMK.

Sign in

for O365 services (oma.kamk.fi):

@kamk.fi email address and password

for KAMK computers and services that support HAKA authentication:

short username and password or

@kamk.fi email address and password

Get user ID's with an Identity Document in Candour

An international student can obtain KAMK user credentials by completing the identification process through the Candour application. After successful identification, user credentials will be sent to email. Ask more: studyservices@kamk.fi

Register user ID's with Suomi.fi Identification

If you have a Finnish bank account or mobile authentication, you can register your KAMK ID's or renew your forgotten/expired password at <https://id.kamk.fi>

Network Connection on Campus (WLAN)

You can log in to the **eduroam** wireless network on the KAMK campus and other higher education institutions with your KAMK ID. Eduroam instructions: <https://bit.ly/eduroamkamk>

Microsoft 365 services

Find all the Microsoft 365 services KAMK offers you for your studies in one place: oma.kamk.fi

Outlook email

All study-related messages will be sent to your @kamk.fi email address. Please follow KAMK's email often via the Outlook app, which you can also download to your phone.

Teams

Teams is a video conferencing application that is used at KAMK for remote learning, info sessions and -meetings. It is also possible to create study-related groups in Teams.

Reppu

Reppu is KAMK's Moodle-based online learning environment, where teachers provide course-related instructions, materials, assignments, and exams. Go to reppu.kamk.fi, sign in using Haka login, and use the easy enrollment key provided by your teacher to access the course.

OneDrive

A cloud service where you can store files related to your studies and share them, for example in connection with group work.

Office apps

O365 services include word, excel, powerpoint and other office applications.

KAMK Intra

Find all student guidelines and news on the [KAMK intranet](#) (Sharepoint): You can also access Intra from the kamk.fi frontpage.

KAMK FINNA

The library's printed and electronic resources are available to you at: kamk.finna.fi

tuudo

Download the Tuudo app to access your timetable, student ID, course enrolments and credits, lunch menus, library card, KAMK news, and emergency messages directly on your phone.

Pakki

Pakki is the student view of the Peppi system, where you can enrol for the courses, browse study guide, view completed credits and submit accreditation applications. Sign in with Haka login at: pakki.kamk.fi
